

Join the Coastal Plain Chapter, Georgia Native Plant Society!

Help us conserve and promote native plants that are vital to our ecosystems and our wildlife.

Enjoy membership benefits such as 10% discounts at Coastal Plain Chapter plant sales. Receive monthly newsletters from GNPS and our chapter to learn about **educational opportunities** including classes, symposiums, field trips and other special events in the Coastal Plain.

- Contribute to **conservation** efforts like plant **rescues** and **propagation** of native plants for use in state parks and other conservation areas.
- Receive notifications of chapter **native plant sales and buy plants** that are hard to find in traditional nurseries.
- Learn how to **support pollinators and bird species** by planting native plants in your home landscape.
- Join in **special projects** like native plant gardens in schools and public parks.
- Be a **community scientist** by helping with the annual Great Georgia Pollinator Count.

Join online <https://gnps.org/get-involved/become-member/> Be sure to select "Coastal Plain Chapter." Or join by using the paper form on the back page.
